# Center for Women Veterans

The Center for Women Veterans was established by Congress in November 1994 by P. L. 103-446

## Our Mission

- Monitor and coordinate VA's administration of health care and benefits services, and programs for women Veterans.
- Serve as an advocate for a cultural transformation (both within VA and in the general public) in recognizing the service and contributions of women Veterans and women in the military.
- Raise awareness of the responsibility to treat women Veterans with dignity and respect.

## Our Activities

- The Director serves as primary advisor to the Secretary on the Department policies, programs, and legislation that affect women Veterans.
- Monitor and coordinate with internal VA offices on their delivery of benefits and services to women Veterans.
- Liaison with other Federal agencies, state and local agencies and organizations, and non-government partners.
- Serve as a resource and referral center for women Veterans, their family and their advocates.
- Educate VA staff on women Veterans military contributions.
- Ensure that outreach materials portray and target women Veterans with images, messages, and branding in the media.
- Promote recognition of women Veterans' military service and contributions by sponsoring activities and special events.
- Coordinate meetings of the Advisory Committee on Women Veterans.
